

**MEMORANDUM OF AGREEMENT FOR STUDENT INTERNSHIP**  
**Vidya Pratishthan's New English Medium School, Baramati**  
**And**  
**Vidya Pratishthan's. College of Education, Baramati**

This Memorandum of Understanding (MOU) is made & entered into on 13<sup>th</sup> August 2020 between the Vidya Pratishthan's. College of Education, Baramati and Vidya Pratishthan's New English Medium School, Baramati. The MOU is being signed with Vidya Pratishthan's New English Medium School, Baramati, as a partner to facilitate internships for students enrolled in College of Education.

**Purpose**

This MOU between Vidya Pratishthan's. College of Education, Baramati will outline the collaboration to facilitate internships for students enrolled in Vidya Pratishthan's. College of Education, Baramati

**Context**

College of Education is a teacher training college. It is working to improve the employability as a teacher of students and is planning to provide internships for all the students enrolled in college of education. To facilitate internships for all such students, college of education is exploring partnership with different stakeholders and has identified V.Ps. New English Medium School, Baramati, as a potential partner.

As part of this MOU, both the parties here to agree to the following respectively:

1. To orient the candidate to the total school setting, school policies, and duties or responsibilities of the faculty;
2. To help the teacher candidate understand his/her role as it relates to his/her teaching assignment and the total school program and to define the extent of his/her responsibility and authority;
3. To discuss the teaching program with the teacher education candidate so that he/she will understand classroom activities in relation to immediate and long term teaching goals;
4. To provide opportunities for the candidate to gain experience in management of regular school duties as soon as advisable and with as much initiative and responsibility as the situation will permit;
5. To provide an opportunity for full management planning, preparation, instruction, and evaluation for a sufficiently long period to provide a representative total teaching experience;
6. To serve as a model and information source, helping the candidate improve teaching skills, strategies, student teacher rapport, and understanding of both cognitive and affective aspects of teaching.

**Terms:**

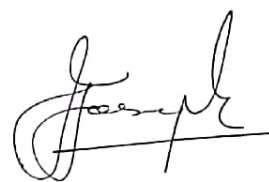

Both the parties shall perform the services, the period as may be subsequently agreed by the parties in written form initially for the period of 2 years.

The following authorized have signed the present MOU on behalf on their respective institutions.
